ElectriCom, a Utility Construction company founded in 1960 in Paoli, Indiana, has experienced continuous growth since its inception. The company takes pride in focusing on family values both in the workplace and with its customer base. ElectriCom seeks employees with the ability and desire to work for a progressive company. ElectriCom offers a competitive package for both wages and benefits. Employees who show quality performance will have the opportunity for advancement and further development of skills. ElectriCom is an Equal Opportunity Employer.

### JOB FUNCTION/PURPOSE

- Our Natural Gas Division is looking for an experienced Operator. The job may require travel for out-of-town projects. The position will require passing industry qualification testing and any additional customer related testing before fieldwork begins, along with completing the company safety program.

### DUTIES AND RESPONSIBILITIES

- Safety first!
- Ability to productively operate various sizes of mini-excavators, trenchers and/or backhoes.
- Follow 811 guidelines and dig safely.
- Proper maintenance and equipment management.
- Be self-motivated.
- Work safely and prevent potential hazards.

### COMMUNICATION RESPONSIBILITIES/ORGANIZATIONAL RELATIONSHIPS

- Must be able to communicate well with Foreman and co-workers.

### EDUCATION & EXPERIENCE

- Candidate will have a valid driver's license (CDL is a plus!)
- Background checks, drug testing and I-9 verification required.
- Gas experience preferred, but not required.
